One Great Hour of Sharing is one of three annual Churchwide Special Offerings of the Presbyterian Church (U.S.A.). These Special Offerings play an important role in defining what it means to be a connectional church in the 21st century, bringing together the diversity of the PC(USA) to focus and take faith-based action on shared concerns. The Offerings offer opportunities for partnership, learning, and witness and profoundly affect the life of the church as a collective witness to Jesus Christ's love for the whole church.

HOPE RES CO-OPERATIVE SOUTH SUDAN

## When we participate in One Great Hour of Sharing...

We create possibility for people forced to flee their homes in search of safety.

We support recovery efforts when disasters devastate communities.

We empower partners to build sustainable futures.

We walk alongside our siblings to work for more just immigration laws and processes.

***Our gifts show people they are not alone and that people they don't know see them and care enough to respond.***

## Following the prophet Micah's call to do justice

A group of young adults from First Presbyterian Church of Salem, New Jersey, volunteered at a disaster recovery host site at New Hope Presbyterian Church in Asheville, North Carolina, after the devastation left behind by Hurricane Helene.

SMASH (Struggle for Miami's Affordable and Sustainable Housing) is the first community land trust and affordable housing cooperative that uses a community land trust model, providing sustainable and preserved land that the community controls and builds power to make housing a human right.

Years of war and natural disasters have culminated in severe famine in South Sudan. An agricultural project with Hope Restoration South Sudan focuses on vegetable farming, giving women refugees vegetable kits comprised of assorted seeds like okra, onions, tomatoes, kudhura, sukuma and other types of vegetables, which they can grow and sell.
